

Ideation Phase

Define the Problem Statements

Date: 24 June 2026

Project Name: Visualization Tools for Electric Vehicle Charge and Range Analysis

Problem Statement	I am (Customer)	I'm trying to	But	Because	Which makes me feel
PS-1	Find EV charging stations and compare EV ranges	Only charging stations and is not the EV ranges offering interactive map for analysis	EV charging stations are scattered across different cities	Complex data for analysis	Frustrated while planning trip
PS-2	Researcher/Policy Maker	Models and charging infrastructure	Getting data is difficult	There is lack of meaningful visualization	Quick, informed decision
